Dear Sir:

In December 1982, I discussed with you by telephone, Savings Certificate 2329, in the amount of \$17,961.00, which was in lieu of a reclamation surety on the Thornburg Memorial Mine.

At that time, I also related I had not authorized renewal of this certificate since we now wished to replace this certificate with a surety.

I am enclosing the original Reclamation Bond we have now acquired to replace the certificate.

The First Western National Bank in Moab informs me it has transmitted the savings certificate to you. Would you please place your endorsement on the certificate and mail it to me so we may now cash in the certificate.

Thank you.

Very truly yours,

Cotter Corporation
